

GORDON STATE COLLEGE
INSTITUTIONAL ANIMAL CARE AND USE COMMITTEE
END OF YEAR REPORT
2015 – 2016

DATE: April 26th, 2016

COMMITTEE MEMBERS: Dr. Amanda Duffus (Chair), Dr. Allan Fuller, Dr. Lynn Rumfelt, Dr. Gregory Hartman, Miss Heather Booker, Dr. Chanda Thompson (Veterinarian), Mr. Gregory Seleb (Community Member), Stephan Nichols (Student Member)

The IACUC met three times during the year 2015-2016. If members were not able to attend the meeting in person, it was requested that they provide any comments that they might have on submitted proposals via email to Dr. Duffus. Please note, the student member was assigned after the first committee meeting and then changed partway through the year and Dr. Duffus didn't notice and therefore the student was accidentally omitted from the meeting invitations.

The committee examined six proposals, all were accepted as written.

The Chair of the Committee submitted a draft policies and procedures manual to the Dean of Arts and Sciences in August of 2015.

Report submitted by:

A handwritten signature in cursive script that reads "Amanda Duffus". The ink is dark and the signature is fluid, with the first name and last name clearly distinguishable.

Dr. Amanda Duffus
Assistant Professor of Biology
Department of Biology and Physical Sciences
