 - Department of Math and Physical Science: Professor Clement Smetana
 - Programs in Fine and Performing Arts: None
 - School of Education: None
 - School of Nursing and Health Sciences: Professor Amy Yarbrough
 - Library: None

Agenda/ Minutes

There were no formal meetings this academic year.

Gordon State hosted the state tournament directors meeting on October 10, 2015, with 21 tournament directors participating in a half-day workshop led by our state director, Dr. Price.

On February 27, 2016, the date of the regional tournament for Division C (high school), we had 14 teams from 8 high schools, and the top 5 teams are listed below and on our website.

1st place: Northgate High School
2nd place: Thomas County Central
3rd place: Valwood School
4th place: Starr's Mill High School
5th place: Whitewater Middle School

There were 23 Gordon student volunteers, and 45 faculty, staff, and administrators serving in various ways. We served 165 high school students extremely well, and it was very much a team effort on the part of faculty, staff, and administrators.

The SO committee members each participated in the Science Olympiad tournament by acting as event supervisors.

Geoff Clement (Director), Dr. Bernie Anderson (Co-Director)
