- Graduating with membership in an honors society

For more information on each designation, please refer to the graduation website at www.gordonstate.edu/academics/student-resources/graduation/graduating-with-honors

Graduating with honors is not the same as graduating in the Honors Program.

Graduating with Honors

To graduate with honors, students must meet **all** of the following requirements:

- earn a minimum cumulative grade point average of 3.50 on all course work attempted at Gordon State
- earn a minimum cumulative grade point average of 3.50 when all course work attempted (at previous colleges attended **and** at Gordon State) is considered
- earn a minimum of 18 semester hours of degree credit at GSC for an associate degree or a minimum of 30 hours of degree credit at Gordon State for a baccalaureate degree.

If eligible for graduation with honors, a student's honors category will be based on a grade point average calculated using credit hours earned at Gordon State only.
