Find the starting time of the class meeting sessions in the chart. The final exam will be given at the corresponding two-hour testing period indicated in the chart.

RESCHEDULING AN EXAM

Students who have three or more finals on the same day may petition to take the third and/or fourth exam on another day or days. Students with multiple finals scheduled for the same time should also complete a petition. Student Petition forms are available [online](#), and students can file a petition by submitting the petition form to the appropriate program assistant for the department/school of the course being petitioned. **Students must appeal within a reasonable amount of time to allow resolution before the originally scheduled date for the final exam.**

FINAL EXAMS FOR ALL CLASSES WILL BE GIVEN AS SCHEDULED. STUDENTS WILL NOT BE PERMITTED TO TAKE ANY EXAMS EARLY. PLEASE MAKE YOUR PLANS ACCORDINGLY.
