

PATHWAY PHYSICAL EDUCATION & HEALTH

This is a model for timely completion of a degree. The milestones listed to the right of each term are designed to keep you on course to graduate in two years. Milestones are courses, pre-requisites, and special requirements necessary for timely progress to complete a pathway. All of the courses fulfill a requirement in the core curriculum. **This sample schedule is a general guideline.** Stay in contact with your assigned faculty advisor who will offer you important information and insights about your academic choices.

Student Name:

GCID: 929-
