

Explanation of Grade Symbols Used on Academic Summary

- %** Learning Support. Grade is not included in academic GPA. Hours are not counted toward graduation.
- *** College Preparatory Curriculum (CPC). Course is designated to satisfy a CPC requirement in foreign language, natural science, or social science. Course does count in GPA and earned hours but does not count toward graduation.
- %*** Learning Support course designated to satisfy a College Preparatory Curriculum requirement (used with Learning Support English, reading, and math courses only).
- @** Institutional Grade. Grade is not included in academic GPA. Hours are not counted toward graduation. This grade symbol is posted with GFYE grades only.
- #** Academic Renewal - Student retains credit for A#, B#, and C# classes, but the grades are not computed in the academic renewal GPA. Grades of D#, F#, and WF# are forgiven.
- K** Credit by examination –Advanced Placement or College Level Examination Program.
- NR** Not reported - final grade was not reported by the instructor.
- T** Transfer credit - Course was completed at another college or university and accepted as transfer credit by Gordon College.
- V** Audit – Student does not receive a grade or credit for the course.

These symbols may be posted with the letter grades assigned to courses. For example, the grade A%* designates a Learning Support class used to satisfy a College Preparatory Curriculum English or math requirement. The grade TC indicates that the student received transfer credit for the class which was transferred from another college.

ACADEMIC HISTORY				
Area A - Essential Skills				
Fall 2003 - Semester	ENGL 1101	English Comp I	3	TC
Summer Semester 2002	ENGL 1101	English Comp I	3	W
Spring 2004 - Semester	ENGL 1102	English Comp II	3	NR
Area D - Science, Mathematics, and Technology				
Summer Semester 2004	CHEM 1151K	Survey of Chemistry I	4	B*
Learning Support				
Summer Semester 2002	MATH 0097	Beginning Algebra	3	C%
Spring Semester 2003	MATH 0099	Intermediate Algebra	3	C%*
Fall Semester 2002	MATH 0099	Intermediate Algebra	3	F%
Summer Semester 2002	MATH 0099	Intermediate Algebra	3	IP%
